## Overview

**Project:** Masjid Renovation, Burnley

**Project ID:** P0011

**Organisation:** Abu Bakr Masjid, Stoneyholme, Burnley

**Aim:** This masjid is situated in Stoneyholme, Burnley. A former cinema hall, the mosque has been the place of worship for the local community for almost 2 decades now. Besides being a place of 5 time worship, it also serves as a madrassah for children to learn the Quran as well as memorise it. They also have part time alimah classes that run on the weekend.

The building is in need of maintenance

The current mosque building for Abu Bakr masjid has been standing for approximately 2 centuries and is in need of maintenance. Having previously been used as a cinema and bingo hall, before being purchased to be used as a masjid for the Muslims in the local community, the building has gone through a lot of reshaping and restructuring. Due to this the current standing of the walls are in a weak and undesirable state.

The committee has decided to renovate and rebuild the walls to strengthen the masjid structure. This is likely to cost in the region of £20,000 - £30,000.
